

## Team Salhouse report to Salhouse Parish Council meeting 11<sup>th</sup> October 2021

Since our last report to Parish Council in September, Team Salhouse members are continuing to observe social distancing guidelines.

- Litter picking has continued on an individual basis.
- The flower beds have been maintained where necessary.

- Team Salhouse will have discussions via email in the next few days to finalise the logistics of the winter planting and will be asking the Parish Council for permission to spend approximately £70 on plants.
- The bank along the trod footpath at the playing field has been tidied up over the past weeks by small working parties and is about 75% finished. It is hoped to complete this task in October.
