

**Team Salhouse report to Salhouse Annual Parish Council meeting
8th September 2025**

Since our last report to Parish Council in July, Team Salhouse volunteers are continuing to work around the village.

- The flower beds around the village have been looked after following the summer planting.
- Litter picking is continuing on an individual basis

Unfortunately, our volunteer numbers have been dropping and there have been no new recruits so it is likely that Team Salhouse will cease in its present form at the end of this year.

Ex members will continue to litter pick, as many people would, on their walks around the village but we would not arrange group picks as we had done in the past.

What would happen with the flower beds is a matter for Parish Council to talk about.

“Proud of our Village”
