

## Team Salhouse report to Salhouse Parish Council meeting 3<sup>rd</sup> Oct 2022

Since our last report to Parish Council in July, Team Salhouse members are continuing to observe social distancing guidelines where thought necessary.

- Flower beds have been tended and we thank local residents, who are close to the flower beds, for their help with watering as this has been a particularly dry season.  
Some beds have fared better than others during this protracted dry and hot period and continuous care has been the order of the day.
- Litter picking has continued on an individual basis.
