

## Team Salhouse report to Salhouse Parish Council meeting 13<sup>th</sup> June 2022

Since our last report to Parish Council in May, Team Salhouse members are continuing to observe social distancing guidelines where thought necessary.

- Flower beds have been replanted with Begonia and Geranium. The centre Phormium at the Bell corner flower bed had become unmanageable and has been replaced with a Portuguese Laurel which will provide evergreen foliage with white flowers in spring. Also it is much easier to keep under control. The Phormium that was in the flower bed at the junction of Lower Street and Upper Street has been removed for the same reason and an alternative shrub is being sought.
- Litter picking has continued on an individual basis.

Team Salhouse,  
“Proud of our Village”
