

**HIGHWAYS AND FOOTPATHS REPORT  
TO SALHOUSE PARISH COUNCIL MEETING 20<sup>th</sup> MAY 2019**

**Footpaths Warden's Report –**

**Footpath 8** At the Vicarage Rd end the path is very overgrown all the way to the field and this requires urgent attention.

**Footpath 11** At the Lower St end going past the tree and shortly turning right the tall hedge on the left requires cutting back at the sides and top. Nettles are growing quickly on the sides of the path and these and other vegetation require cutting back.

~ ~ ~

**Complaints about motorcyclists using footpaths** – the Landowner is considering the emplacement of a gate on Footpath 7 to discourage this – *ongoing*.

**Complaint regarding encroaching hedges onto footpath along Lower Street** – Clerk has reported to Highways for investigation/action.

**Complaint regarding overgrowing weeds along new Trod, FP11 and FP8** – Under investigation

**Complaint regarding visibility (overgrown hedges) exiting Recreation Ground, and Thieve Lane onto Norwich Road** – Under investigation

~ ~ ~

**Highway Issues:**

**Wood Green industrial estate traffic** – this is with Highways and scheduled when warmer weather – *ongoing, requested update with Highways*.
