

**HIGHWAYS AND FOOTPATHS REPORT
TO SALHOUSE PARISH COUNCIL MEETING 3rd JUNE 2019**

Footpaths Warden's Report –

No updated report.

Footpath issues (inc. FP 8, 12, 5 and 11) have been reported to NCC for investigation and action.

Quote being obtained for improvements to FP14.

~ ~ ~

Complaints about motorcyclists using footpaths – the Landowner is considering the emplacement of a gate on Footpath 7 to discourage this – *ongoing*.

Complaint regarding encroaching hedges onto footpath along Lower Street – Highways will be taking action when the nesting season is closed.

Complaint regarding overgrowing weeds along new Trod – Paths have been cut by Highways.

Complaint regarding visibility (overgrown hedges) exiting Recreation Ground, and Thieve Lane onto Norwich Road – Highways looking into. Thieves Lane verges due to be cut.

Highway Issues:

Wood Green industrial estate traffic – this is with Highways and scheduled when warmer weather – *hoping to be completed within the next few weeks*.

Drop kerbs in Cheyney Avenue – raised with Highways, awaiting a response

Barrier at Heron Close cut through – not suitable for wheelchairs to pass, raised with Highways, awaiting a response

Village Sign – under investigation by Cllr. Ball for repainting/restoration

Posts on Lower Street green triangle – raised with Highways if permission would be granted for PC to install posts, and costings

Vicarage Road speeding traffic – Highways response: principally an enforcement matter where speeding is concerned. Highways team to look at exposing signs with a bit of veg trimming.
