Apologies received from Gary Browne (GB), Andrew Peachment (AP), and Julie Redburn (JR).

2. Household Survey results and key findings

RL went through survey results summary.

Q1 – Conservation area – 1 x Grade I and 15 x Grade II

Q3 & 4 comply with NP vision

Q17 – **ACTION to go through list of views**

Q20 – share results with Salhouse Broad – **ACTION SM**

3. Policy ideas and next steps

Discussed as mix of amending existing policies from NP survey and data profile and identifying what has come out of the survey and data profile where the current NP does not have a policy.

AL – to produce policy title and try to identify what the policy needs to cover

Design code for Salhouse will be an appendix to NP (*look at BDC design code*)

ACTION SM – survey results to go onto website, along with data profile summary.

Timeline – next meeting policy ideas review

4. Any further consultation

Discussed that if anything specific regarding the drafting of policies then it would be considered reaching out to individuals/groups/businesses as and when needed.

5. Next steps and date of next meeting

ACTIONS:

- Draft policies with AL – Wednesday 7th January 2026, 7pm
- Design code workshop with RL – Monday 2nd February 2026, 9am-2pm
