

**Team Salhouse report to Salhouse Annual Parish Council meeting
13th October 2025**

Since our last report to Parish Council in September, Team Salhouse volunteers are continuing to work around the village.

- The flower beds around the village have been looked after following the summer planting.
- Litter picking is continuing on an individual basis

To add to last month's comments

Our volunteer numbers have been dropping despite appeals in the Saga and there have been no new recruits so it is likely that Team Salhouse will cease to continue in its present form at the end of this year.

Ex members will continue to litter pick, as many people would, on their walks around the village but we would not arrange group picks as we have done in the past.

What will happen with the flower beds is a matter for Parish Council to decide.

“Proud of our Village”
