

Team Salhouse report to Salhouse Parish Council meeting 14th March 2022

Since our last report to Parish Council in January, Team Salhouse members are continuing to observe social distancing guidelines where thought necessary.

- Flower beds have been tended and are looking good.
- In response to the current Keep Britain Tidy campaign, litter picking has continued on an individual basis whilst performing a Spring Clean of the signs and benches around the village. This will continue through March.
- It has been noticed that the finger boards at the Loke & Upper street junction, the Bell corner and at the Upper Street & Lower Street junction are all showing their age with the boards deteriorating and the letters peeling off in some cases. The map at the junction of Upper Street & Lower Street is showing signs of weather damage again. The other maps seem be in similar condition.

Team Salhouse, "Proud of our Village"
